

PRO REEL SERIES

MED-10-FEM

10' (3.05 m) Retractable Medical Power Cable Reel
Single Female Tap with Antimicrobial Housing

Efficient cable management solution for professional environments.

The Stage Ninja® MED-10-FEM features 10 feet (3.05 meters) of 14/3 SJT retractable power cable with a hospital-grade NEMA 5-15P plug and an 18-inch (0.45 meters) 16/3 SJT static lead ending in a single hospital-grade female tap. The high-impact plastic housing is molded with a permanent antimicrobial additive and meets UL 60601-1 standards. The pull-to-lock, pull-to-release mechanism allows the cable to lock at any length and retract smoothly. A 9-inch (22.86 cm) flat mounting strap is included for horizontal surfaces, with optional vertical mounting brackets available.

Key Features

Durable High-impact plastic housing molded with a permanent antimicrobial additive

Retractable Pull-to-lock, pull-to-release mechanism for smooth cable retraction

Reliable 14/3 SJT retractable cable with hospital-grade NEMA 5-15P plug; 16/3 SJT static lead with single hospital-grade female tap

Flexible 10' retractable end; 18" static lead

Mounting Includes 9" flat mounting strap; optional vertical mounting brackets (VMB-7-S and VMB-7-SVL)

Custom options available to meet specific requirements. **Call 317-829-1507** to learn more. **Made in the USA.**

Warnings

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
