

## 5TX-30-I 30' (9.14 m) Retractable 16 AWG Power Cable Reel – Single Tap

## Efficient cable management solution for professional environments.

The Stage Ninja® STX-30-1 delivers 30 ft. (9.14 meters) of durable 16/3 power cable with an over-molded single-tap female connector. Its high-tension lock-and-release mechanism allows the cable to lock at any length and retract smoothly, eliminating cord winding tangles. The 3-ft. (0.91 meters) static lead includes a male plug. The white powder-coated steel housing comes with an eye hook. Optional swivel wall/ceiling mounting bracket.

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any ther body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
