

# USB-25-S

25' (7.6 m) Retractable USB 2.0 Cable Reel  
Female to Male

## Efficient cable management solution for professional environments.

The Stage Ninja® USB-25-S features 25 feet (7.6 meters) of premium USB 2.0 cable with a female repeater connector on the retractable end and a 3-foot (0.91 meters) static male connector. The durable high-impact plastic housing includes a flat mounting strap. The pull-to-lock, pull-to-release mechanism allows the cable to lock at any length and retract smoothly. Constant tension configuration is available upon request.

### Key Features

Warnings

**WARNING Read all instructions before use.** This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
