

PERFORMANCE SERIES

USB-40-S

40' (12.2 m) Retractable USB 2.0 Cable Reel

Female to Male

Efficient cable management solution for professional environments.

The Stage Ninja® USB-40-S features 40 feet (12.2 meters) of premium USB 2.0 cable with a female repeater connector on the retractable end and a 3-foot (0.91 meters) static male connector. The black powder-coated steel housing includes a flat mounting strap. The pull-to-lock, pull-to-release mechanism allows the cable to lock at any length and retract smoothly. Constant tension configuration is available upon request.

Key Features

Durable Powder-coated steel housing with flat mounting strap

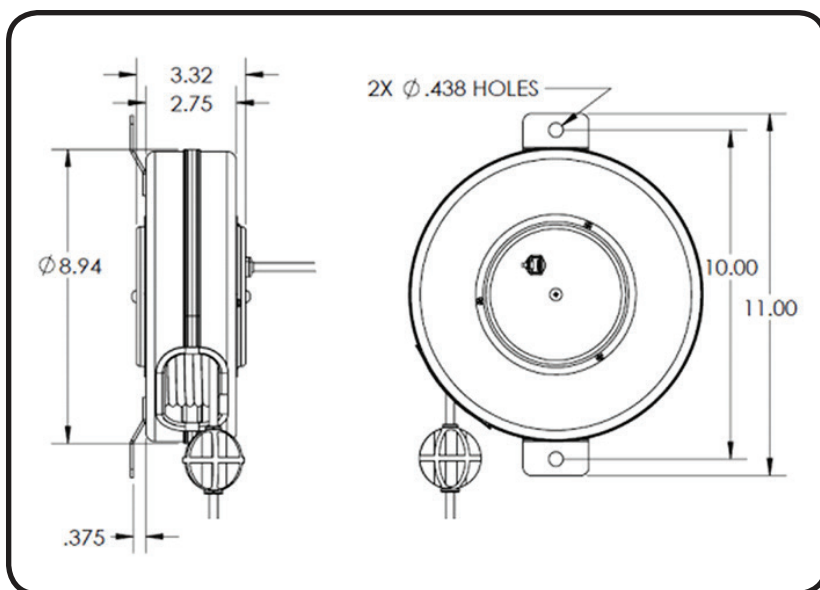

Retractable Pull-to-lock, pull-to-release mechanism for adjustable cable length

Reliable Premium USB 2.0 cable with female repeater and male connectors

Flexible 40' retractable end; 3' static lead

Mounting Horizontal (flat) bracket; optional vertical mounting bracket kits available (VMB-9-S and VMB-9-SVL)

Custom options available to meet specific requirements. Call 317-829-1507 to learn more. **Made in the USA.**

Warnings

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
