

USB-6-S

6' (1.8 m) Retractable USB 2.0 Cable Reel
Male to Male

Efficient cable management solution for professional environments.

The Stage Ninja® USB-6-S features 6 feet (1.8 meters) of premium USB 2.0 cable with male A-to-A connectors on both ends. The 3-foot (0.91 meters) static lead also terminates with a male A connector. The durable ABS plastic housing includes mounting holes for easy installation. The pull-to-lock, pull-to-release mechanism allows the cable to lock at any length and retract smoothly. Constant tension configuration is not available for this model.

Warnings

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
