

4XLR-35-CT

35' (10.7 m) Constant Tension Retractable 4-Channel XLR Snake Reel
Neutrik® XLR Female to Male

PERFORMANCE SERIES

Efficient cable management solution for professional environments.

The Stage Ninja® 4XLR-35-CT features 35 feet (10.7 meters) of premium quad-channel 24 AWG shielded XLR snake cable with genuine Neutrik® 3-pin connectors. The 3-foot (0.9 meters) static lead terminates with four Neutrik® XLR male connectors. Designed for constant tension, this rugged steel-housed reel allows smooth, simultaneous retraction of all channels—perfect for stages, studios, installs, and mobile rigs. Each channel maintains clear, low-noise signal integrity in demanding environments.

Key Features

Durable Powder-coated steel reel with integrated mounting base

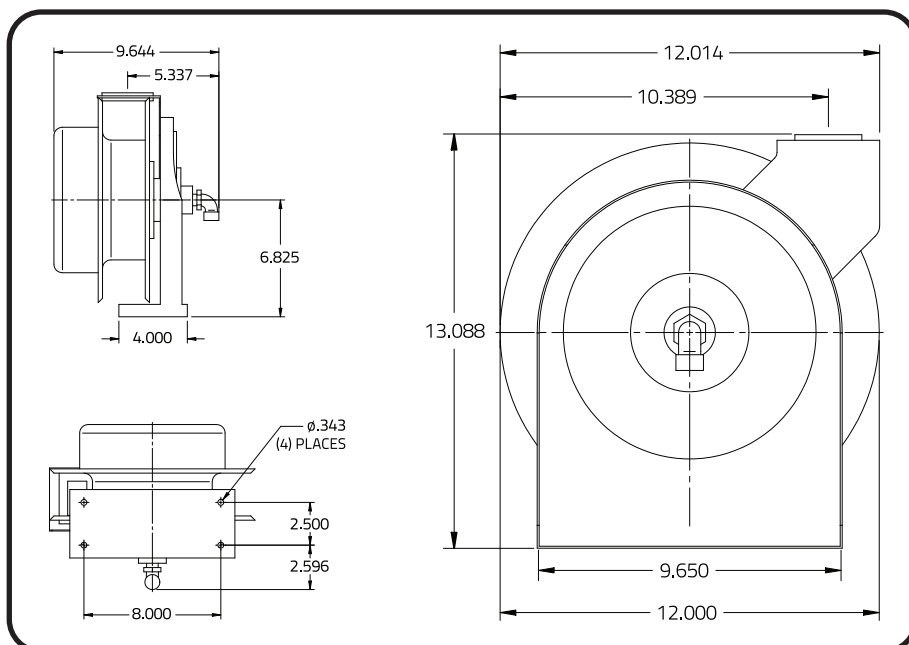

Retractable Constant tension for seamless multi-channel use

Reliable Genuine Neutrik® 3-pin XLR connectors

Flexible 35' retractable quad-channel cable; 3' static lead

Organized Streamlined cable management in high-use environments

Custom options available to meet specific requirements. Call 317-829-1507 to learn more. Made in the USA.

Warnings

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
