

STAGE NINJA[®] ORGANIZE[™]

PRO REELS SERIES

CAT6-10-S

10' (3.05 m) Retractable Unshielded
CAT6 Cable Reel – Locking & Releasing

Efficient cable management solution for professional environments.

The Stage Ninja[®] CAT6-10-S delivers 10 feet (3.05 meters) of unshielded CAT6 cable with RJ45 connectors in a powder-coated steel housing. Its lock-and-release mechanism allows the cable to lock at any length and retract smoothly, making it ideal for dry-location installations.

Key Features

Durable Powder-coated steel housing with flat mounting strap

Retractable Smooth operation; locks at any length with high-tension mechanism

Reliable 10' (3.05 m) unshielded CAT6 cable with RJ45 connectors

Flexible Optional vertical mounting bracket kit available

Serviceable Constant tension configuration available upon request

Custom options available to meet specific requirements. Call 317-829-1507 to learn more. Made in the USA.

Warnings

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
