

STAGE NINJA[®] ORGANIZE[™]

PRO REELS SERIES

CAT6-50-S

50' Retractable Shielded CAT6 Reel – Locking & Releasing

Efficient cable management solution for professional environments.

The Stage Ninja[®] CAT6-50-S delivers 50 feet (15.2 meters) of shielded hi-flex CAT6 cable with industrial RJ45 connectors in a powder-coated steel housing with integrated mounting. Built for high-demand environments, it locks at any length, retracts smoothly, and features a 10,000-cycle-rated spring motor for long-term reliability.

Key Features

Durable Powder-coated steel housing with integrated mounting base

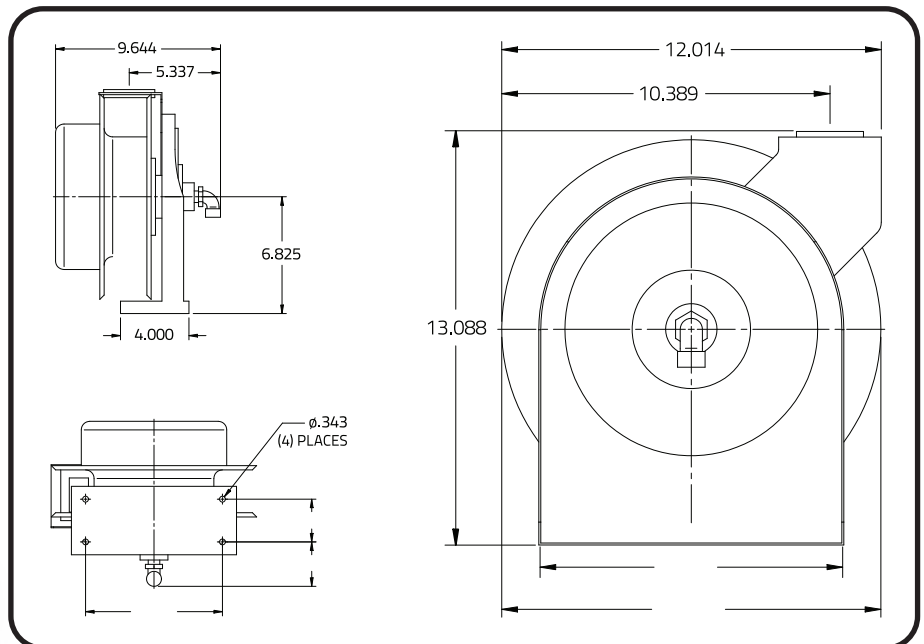

Retractable Smooth operation; locks at any length with high-tension mechanism

Reliable Industrial RJ45 connectors with premium shielded CAT6 cable

Flexible Tension-adjustable reel for various deployment needs

Serviceable Field-replaceable cable design for extended product life

Custom options available to meet specific requirements. Call 317-829-1507 to learn more. Made in the USA. 

Reel Material	Powder-coated steel
Retraction Length	50 ft (15.2 m)

Warnings

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
