

## PRO REELS SERIES

# CAT6-65-S

65' Retractable Unshielded CAT6 Reel – Locking & Releasing

### Efficient cable management solution for professional environments.

The Stage Ninja® CAT6-65-S delivers 65 feet (19.8 meters) of unshielded CAT6 cable with RJ45 connectors in a powder-coated steel housing. It locks at any length and retracts smoothly with a simple pull, and includes a flat strap for horizontal mounting, with optional vertical kits available.

### Key Features

**Durable** Powder-coated steel housing with flat mounting strap

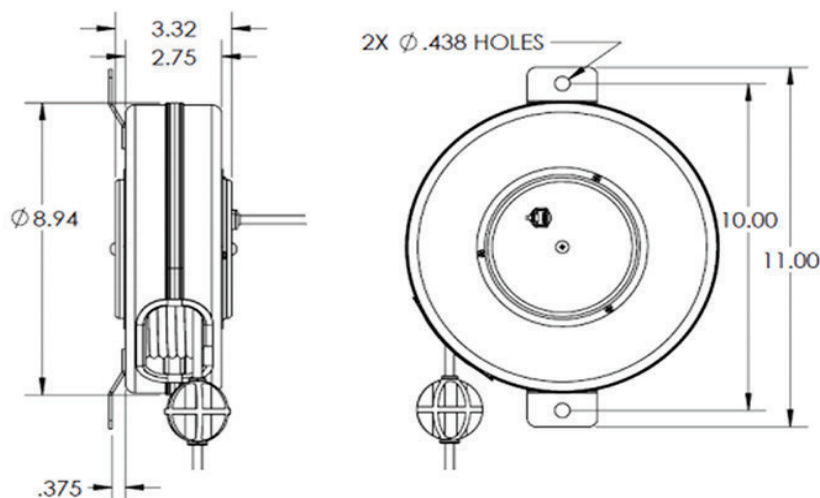

**Retractable** Smooth operation with lock-at-any-length control

**Reliable** 65' (19.8 m) unshielded CAT6 cable with RJ45 connectors

**Flexible** Optional vertical mounting brackets available (VMB-9-S, VMB-9-SVL)

**Serviceable** Constant tension configuration available upon request

**Custom options available** to meet specific requirements. Call 317-829-1507 to learn more. Made in the USA.

Warnings

**WARNING** Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
