

# DMX-50-CT

45' (13.7 m) Retractable 12 AWG Power Cable Reel  
Single Tap with LED Indicator and 20 A Circuit Breaker

## PERFORMANCE SERIES

### Efficient cable management solution for professional environments.

The Stage Ninja® STX-45-1 features 45 feet (13.7 meters) of 12/3 power cable with a single-tap 5-15R/20R female connector and LED indicator. Its high-tension mechanism locks the cable at any length and retracts smoothly. A 3-foot (0.91 meters) static lead ends in a 5-20P perpendicular male plug with a 20-amp onboard circuit breaker. The black industrial-grade thermoplastic housing includes an integrated carry handle and optional swivel wall or ceiling mounting bracket.

### Key Features

**Durable** Black industrial-grade thermoplastic housing with integrated carry handle

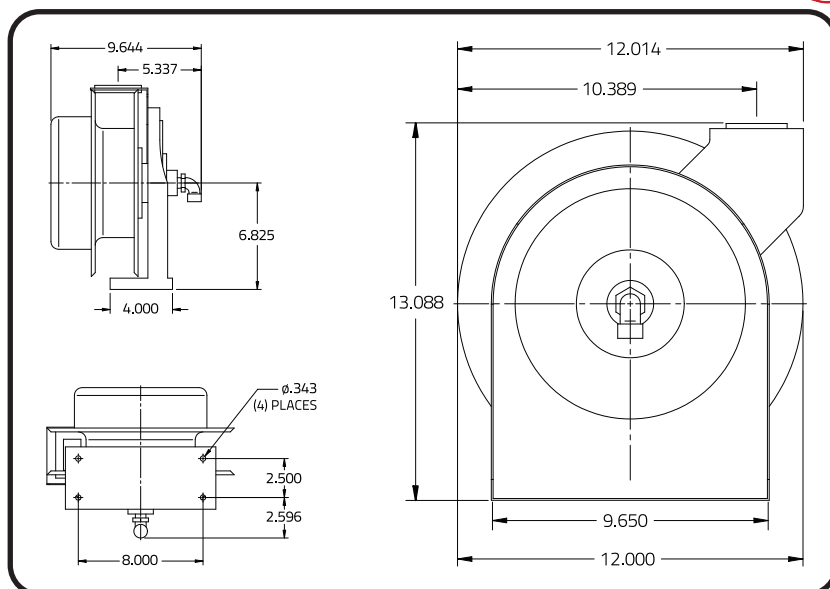

**Retractable** Locks at any length and retracts smoothly with high-tension mechanism

**Reliable** 12/3 power cable with single-tap 5-15R/20R connector, LED indicator, and 20 A circuit breaker

**Flexible** Swivel wall or ceiling mounting bracket included

**Serviceable** Constant tension configuration available upon request

**Custom options available** to meet specific requirements. Call 317-829-1507 to learn more. **Made in the USA.**

Warnings

**WARNING** Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
