

## PERFORMANCE SERIES

# HDSDI-50-CT

50' (15.2 m) Retractable Male BNC RG6  
Coax Cable Reel – Constant Tension

### Efficient cable management solution for professional environments.

The Stage Ninja® HDSDI-50-CT features 50 feet (15.2 meters) of premium hi-flex RG6 3G-SDI coaxial cable with Canare® male BNC connectors. Designed for overhead constant tension applications, it includes a bus drop grip near the retractable connector for strain relief. The durable powder-coated industrial steel housing has an integrated mounting base. The retractable end is 50 feet, and the static end is 3 feet, both terminating with Canare® male BNC connectors.

### Key Features

**Durable** Powder-coated industrial steel housing with integrated mounting base

**Retractable** Constant tension design suitable for overhead installations

**Reliable** Premium hi-flex RG6 3G-SDI cable with Canare® male BNC connectors

**Flexible** 50' retractable end; 3' static lead

**Serviceable** Industrial spring motor rated for 10,000 cycles

**Custom options available** to meet specific requirements. **Call 317-829-1507** to learn more. **Made in the USA.**

Warnings

**WARNING** Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
