

PRO REEL SERIES

PWR15D-45-S

45' (13.7 m) Retractable 12/3 (15A)

Power Reel with Dual Receptacle Box

Efficient cable management solution for professional environments.

The Stage Ninja® PWR15D-45-S features 45 feet (13.7 meters) of 12/3 SJ flexible cord terminating in a 15A dual-outlet GFCI pendant box. The 3-foot (0.91 meters) static lead ends with a NEMA 5-15P plug. Its industrial-grade powder-coated steel housing includes an integrated mounting base and a locking/releasing mechanism for adjustable cable length. Ideal for workshops, labs, and permanent installations requiring portable power.

Key Features

Durable Powder-coated industrial steel housing with integrated mounting base

Retractable Locking/releasing mechanism for adjustable cable length

Reliable 12/3 SJ 300V flexible cord with 15A dual-outlet GFCI pendant box

Flexible 45' retractable end; 3' static lead with NEMA 5-15P plug

Serviceable Industrial spring motor rated for 10,000 cycles

Custom options available to meet specific requirements. Call 317-829-1507 to learn more. Made in the USA.

Warnings

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
