

PRO REEL SERIES

PWR20X-45-CT

45' (13.7 m) Constant Tension Retractable 12/3 (20A)
Power Reel – Open Ends

Efficient cable management solution for professional environments.

The Stage Ninja® PWR20X-45-CT features 45 feet (13.7 meters) of 12/3 SJ 300V flexible cord in a constant tension configuration, ideal for overhead applications. Both the 45-foot retractable and 3-foot (0.91 meters) static leads have flying ends for hardwiring or custom connectors. A bus drop grip near the retractable end provides strain relief. The industrial-grade powder-coated steel housing includes an integrated mounting base.

Key Features

Durable Powder-coated industrial steel housing with integrated mounting base

Retractable Constant tension design suitable for overhead installations

Reliable 12/3 SJ 300V flexible cord with flying leads for hardwiring or custom connectors

Flexible 45' retractable end; 3' static lead

Serviceable Industrial spring motor rated for 10,000 cycles

Custom options available to meet specific requirements. Call 317-829-1507 to learn more. Made in the USA.

Warnings

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
