

XLR-50-CT

50' (15.2 m) Constant Tension Retractable Microphone Cable Reel
Neutrik® XLR Female to Male

PERFORMANCE SERIES

Efficient cable management solution for professional environments.

The Stage Ninja® XLR-50-CT features 50 feet (15.2 meters) of premium 22 AWG shielded microphone cable with genuine Neutrik® 3-pin XLR connectors. The 3-foot (0.9 meters) static lead terminates with a Neutrik® XLR male connector. The black powder-coated steel housing includes an integrated mounting base. Configured for constant tension, the cable moves freely with attached equipment. A bus drop grip near the retractable connector provides strain relief.

Key Features

Durable Powder-coated steel housing with integrated mounting base

Retractable Constant tension configuration for smooth cable movement

Reliable Genuine Neutrik® 3-pin XLR connectors

Flexible 50' retractable cable; 3' static lead

Strain Relief Bus drop grip near retractable connector

Custom options available to meet specific requirements. Call 317-829-1507 to learn more. Made in the USA.

Warnings

WARNING Read all instructions before use. This product can cause injury, including but not limited to burns, cuts, eye injuries, or amputation if the cord is misused or damaged. Recoil may cause injuries, especially when reconnecting. When unplugging, hold the cable end to maintain control. Avoid wrapping the cord around any appendage or body part. Wear long pants and protective gear to minimize the risk of burns or cuts from the retractable cord. The retractable cord is intended for use by responsible adults only. Keep out of reach of children. Do not allow anyone to touch or come into contact with the reel while in use. Stop using the retractable cable if it shows any signs of wear, damage, or does not function properly. Do not place hands, feet, head, or any other body part near the housing while the cord is extended. Please heed these warnings and exercise caution when using the retractable cable.
