

Stage Ninja® Ninja Clamp™ SAI Dual Microphone Mount with Clamp Base

Position 2 microphones or 5/8" mounted devices on a single clamp; perfect for tight or unique situations. This innovative clamp features two 10-in flexible goosenecks that stay securely in place once positioned. The industrial steel, tension-loaded 6-inch clamp base with dual step, anti-mar jaws opens to just over 2 inches.

Custom options available. Call 317-829-1507 to learn more. Assembled in USA 

WARNING

Stage Ninja is not responsible for misuse of product. Ninja Clamps™ are not a toy and can be harmful and cause pinching, abrasions or cuts if misused. Small parts should be kept away from children and out of mouths to prevent choking.

Optional Mic-2-Cam
Speed Converter available.

Connects with any
standard 5/8" device.
